

GEN

IT IS THE RELIGIOUS DUTY OF EVERY MAN
TO PROTECT HIS LOVED ONES FROM
THE RAVAGES OF THE GRIM REAPER

Out of 227 life insurance companies
doing business in the United States
(American Underwriters' Pocket
Chart for 1918)

The New York Life Insurance Company

HAS
More than 1/6 of the total assets,
About 1/7 of the total liabilities,
More than 1/4 of the total surplus,
More than 1/10 of the total ins. in force,
Paid over 1/8 of all death losses,
Paid over 1/6 of all dividends, and
At only 1/14 of the total expense.

This is why people prefer to carry
their insurance in the NEW YORK
LIFE, and why, after getting the
first policy, they apply again and
again for further insurance for the
protection of "Mary and the
babies," their business interests, or
their own old age.
